WHY WINE ON TAP?

Ultimate Freshness: The advanced one-way bag-in-keg technology ensures the wine never comes into contact with dispensing gases, keeping the first glass as fresh as the last.

Eco-Friendly & Sustainable: Significantly reduces glass bottle waste, cardboard packaging, and transport weight—lowering your venue's carbon footprint.

Speed of Service: Ideal for high-volume hospitality environments, offering instant, perfectly-tempered pours with zero wastage from oxidized bottles.

SERVING

Serving Temperature: 8–10°C for Sparkling, Whites, and Rosé; 15–16°C for Reds.

Pairing: Highly versatile house pour options that effortlessly complement everything from casual bar snacks and cicchetti to structured food menus.
